

## Harness the power of Motive's solutions to improve safety and reduce costs.

Brown & Brown Insurance and Motive have partnered to offer qualifying customers more ways to save on for safe driving behavior.

### Improve Safety.

Motive's industry-leading dashcams monitor and protect your drivers, and give you the tools to prevent accidents and expedite claims resolution. Real-time accident detection, in-cab alerts and driver coaching makes it easy to improve driving behaviors.

### Save Money

Brown & Brown insureds may be eligible for preferred pricing and promotions.

### Optimize Fleet Management

Prioritize efficiency with unparalleled visibility into fleet vehicle location, utilization, and health. Use Motive's industry-leading telematics, including GPS data, real-time maintenance monitoring and compliance records, to make more informed, data-driven decisions.

### Proven Results:

# 57%

Fewer accidents within four months.

# 30%

Reduction in accident-related costs.

# 21%

Reduction in insurance costs.
