

Harness the power of Motive's Solutions to improve safety and reduce costs

Cambridge Mobile Telematics has partnered with Motive to offer qualifying customers more ways to save on their safe driving solutions and manage insurance premium spend.

Improve Safety

Motive's industry-leading dashcams monitor and protect your drivers, and give you the tools to prevent accidents and expedite claims resolution. Real-time accident detection, in-cab alerts and driver coaching makes it easy to improve driving behaviors.

Save Money

Cambridge Mobile Telematics customers may be eligible for preferred pricing and promotions.

Optimize Fleet Management

Prioritize efficiency with unparalleled visibility into fleet vehicle location, utilization, and health. Use Motive's industry-leading telematics, including GPS data, real-time maintenance monitoring and compliance records, to make more informed, data-driven decisions.

Proven Results:

57%

fewer accidents within 4 months of deployment

30%

reduction in accident-related costs

21%

reduction in insurance costs
