

Harness the power of Motive's solutions to improve safety and reduce costs.

Geico Insurance and Motive have partnered to offer qualifying customers more ways to save on safe driving behavior.

Improve Safety.

Motive's industry-leading dashcams monitor and protect your drivers, and give you the tools to prevent accidents and expedite claims resolution. Real-time accident detection, in-cab alerts and driver coaching makes it easy to improve driving behaviors.

Save Money

Geico customers may be eligible to receive up to 10% savings on their premium for agreeing to share their data and installing Motive's AI Dashcams. Customers may also be eligible for discounts on Motive solutions.

Optimize Fleet Management

Prioritize efficiency with unparalleled visibility into fleet vehicle location, utilization, and health. Use Motive's industry-leading telematics, including GPS data, real-time maintenance monitoring and compliance records, to make more informed, data-driven decisions.

Proven Results:

57%

Fewer accidents within four months.

30%

Reduction in accident-related costs.

21%

Reduction in insurance costs.
