

Harness the power of Motive's solutions to improve safety and reduce costs.

HDVI and Motive have partnered to offer qualifying customers more ways to save on for safe driving behavior.

Improve Safety.

Motive's industry-leading dashcams monitor and protect your drivers, and give you the tools to prevent accidents and expedite claims resolution. Real-time accident detection, in-cab alerts and driver coaching makes it easy to improve driving behaviors.

Save Money

HDVI rewards safe fleets with discounts on their monthly insurance premiums of up to 12%. Data sharing is required. Additionally, HDVI customers may qualify for preferred pricing on Motive's software subscription.

Optimize Fleet Management

Prioritize efficiency with unparalleled visibility into fleet vehicle location, utilization, and health. Use Motive's industry-leading telematics, including GPS data, real-time maintenance monitoring and compliance records, to make more informed, data-driven decisions.

Proven Results:

57%

Fewer accidents within four months.

30%

Reduction in accident-related costs.

21%

Reduction in insurance costs.
