

Harness the power of Motive's Solutions to improve safety and reduce costs

QEO and Motive have teamed up to help you protect your drivers and your bottom line.

Motive & QEO, Better Together

Proven Results:

Improve Safety

Motive's industry leading Smart and AI Dashcams monitor and protect your drivers, and give you the tools to prevent accidents and expedite claims resolution. Real-time accident detection, in-cab alerts and driver coaching makes it easy to improve driving behaviors.

Save Money

As one of QEO's preferred dashcam vendors, Insureds get exclusive discounts on Motive's monthly software subscription.

57%

fewer accidents within 4 months of deployment

30%

reduction in accident-related costs

21%

reduction in insurance costs
