

Harness the power of Motive's solutions to improve safety.

RPS and Motive have partnered to offer qualifying customers more ways to save for safe driving behavior.

Improve Safety.

Motive's industry-leading dashcams monitor and protect your drivers, and give you the tools to prevent accidents and expedite claims resolution. Real-time accident detection, in-cab alerts and driver coaching makes it easy to improve driving behaviors.

Save Time & Money

Reduce claims related costs and streamline the claims review process. Motive detects 99% of severe collisions and uploads accident-related videos in seconds. Plus, our 400-member Safety Team makes sure drivers aren't punished for false positives, streamlining coaching.

Optimize Fleet Management

Prioritize efficiency with unparalleled visibility into fleet vehicle location, utilization, and health. Use Motive's industry-leading telematics, including GPS data, real-time maintenance monitoring and compliance records, to make more informed, data-driven decisions.

Proven Results:

57%

Fewer accidents within four months.

30%

Reduction in accident-related costs.

99%

Detection of high severity incidents.
